Hey Michael, it should be updated now.
Let me know if it doesn't look right – had an issue with the font auto resizing.

Jonathan – Please edit the “how to comment” section to read as follows:

Comments accepted through: 01/13/2020

Public Hearing

A public hearing will be held at EPA Region 6, Room 5220, 1201 Elm Street, Suite 500, Dallas, Texas 75270 on December 9, 2019 beginning at 1:00 pm. All EPA Region 6 visitors must go to the 5th floor

reception and security lobby upon arrival. Please visit <https://www.epa.gov/aboutepa/visiting-epas-region-6-office-dallas> for additional information concerning security, directions, and parking.

The public hearing will provide interested parties the opportunity to present information and opinions to us concerning our proposal. Interested parties may also submit written comments, as discussed in the proposal. Written statements and supporting information submitted during the comment period will be considered with the same weight as any oral comments and supporting information presented at the public hearing. We will not respond to comments during the public hearing. When we publish our final action, we will provide written responses to all significant oral and written comments received on our proposal.

Oral testimony will be limited to 5 minutes each. The hearing will be strictly limited to the subject matter of the proposal. Any member of the public may file a written statement by the close of the comment period. Written statements (duplicate copies preferred) should be submitted to Docket ID No. EPA-R06-OAR-2016-0611, at <http://www.regulations.gov> or via email to R6_TX-BART@epa.gov.

At the public hearing, the hearing officer may limit the time available for each commenter to address the proposal to three minutes or less if the hearing officer determines it to be appropriate. We will not be providing equipment for commenters to show overhead slides or make computerized slide presentations. Any person may provide written or oral comments and data pertaining to our proposal at the public hearing. Verbatim English—language transcripts of the hearing and written statements will be included in the rulemaking docket.

Submit Comments

Submit your comments, identified by Docket No. EPA-R06-OAR-2016-0611, at <http://www.regulations.gov> or via email to R6_TX-BART@epa.gov.

Follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from Regulations.gov. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (i.e. on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <http://www2.epa.gov/dockets/commenting-epa-dockets>.
